## SYEP ENRICHMENT SUMMER

The Department of Youth Rehabilitation Services (DYRS), in collaboration with the Summer Youth Employment Program (SYEP), will offer vocational training classes for youth. Our six-week experience offers programming that focuses on skills required for a particular job or trade. A combination of hands-on training and classroom instruction will allow students to explore different career choices and prepare for industry-specific work or advanced education. Youth will also participate in the Achievement Center afternoon activities. We will provide breakfast and lunch daily.
